ATHLETICS

Home of the Cardinals, Wheeling University is proud to have 20 Athletic Teams; 19 NCAA Division II teams and Men's National Collegiate Rugby, Open Division, which provide students with additional ways to become involved on campus. Intercollegiate athletics is also a source of enthusiasm and pride for the entire University, as well as the greater Wheeling Community. Our athletes are not only successful in the classroom, but in competition - capturing a National Championship in volleyball and an NCAA DII Runner-up trophy in wrestling. In addition to athletics, clubs and organizations are another great way for students to stay engaged on campus, meet fellow classmates with similar interests, and gain leadership experience. A few of these clubs/organizations include Campus Activities Board, Black Student Union and Student Government Association.
